PANEL 1: THE EDGE OF THE MIST [WHOOSH...]

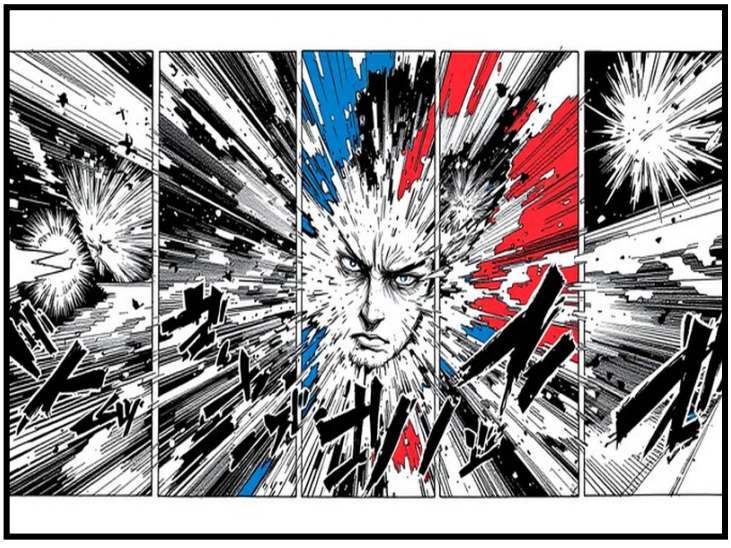

NARRATION:

Twilight clings to the roots of the ancient canopy, whispering cold warnings to those foolish enough to tread the forbidden path.

HOPE:

"Everyone says the woods whisper secrets that make you turn back... but I can't let the grove wither away."

PANEL 2: THE TANGLED TRAILS [SNAP!]

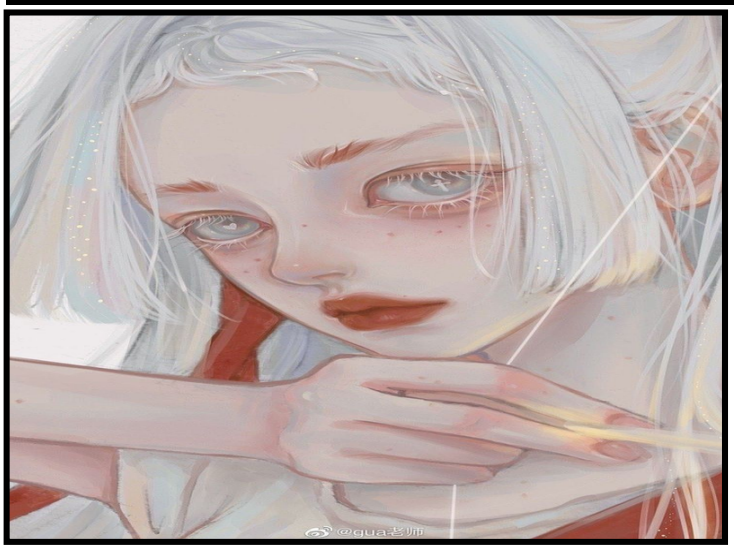

NARRATION:

The forest itself seemed alive, shifting its roots and choking the paths with thorny lies, testing the limits of her courage.

HOPE:

"No--not now! Just a little further... I have to keep moving!"

PANEL 3: THE STARLIGHT CLEARING [SHHHK!]

NARRATION:

Against the crushing weight of the endless dark, a single bloom defied the night, holding the concentrated starlight of a thousand heavens.

HOPE:

"It's... it's real. The light... it's still burning bright."

PANEL 4: THE JOURNEY HOME

NARRATION:

True bravery isn't the absence of fear, but the quiet, relentless step forward into the dawn.

HOPE:

"Hold on, little grove. I'm coming home with the dawn."
