PANEL 2: THE PHANTOMS OF THE UNDERBRUSH [SNAP!]

NARRATION:

The forest doesn't just block the light; it remembers every mistake, twisting the very ground beneath her boots into a labyrinth of deceit.

NARRATION:

Amidst the endless malice of the deep woods, a single, stubborn spark defies the eternal night.

CAPTAIN NOVA:

"Got you. Right where you belong."

CAPTAIN NOVA:

"Hold on a little longer, everyone. I'm bringing the sun back with me."
